RE: 2017-324-T

Good Morning Randall,

We would like to request that the prehearing scheduled for February 5th and hearing scheduled for February 21st be rescheduled. We are requesting that both dates be suspended until further notice. We are retaining counsel and want to make sure said counsel has adequate time to prepare. Our attorney will begin work on this on Monday February 5th. We are very sorry for any inconvenience this has caused and look forward to working with you.

Thank you,

Kris Thompson

Thank you for your response Kris. That's no problem. We would definitely rather have time to properly assist with the process. You indicated below that you would like to request the prehearing and hearing be rescheduled. In order to do so, a request will need to be emailed to Randall Dong at the Public Service Commission (and copy me) requesting that all dates be suspended until further notice. If you choose to do so, we should have sufficient time to work with you/your attorney to get any issue resolved and determine the most efficient manner to move forward.

Thank you,

Lessie

Hi Lessie,

We are retaining counsel and do agree with you that there is not sufficient time to consult with said counsel prior to the prehearing conference. We would like to request and are amendable to rescheduling the prehearing conference and hearing to allow for ample time to prepare. Our attorney will begin work on this matter on Monday, February 5th. We apologize for the inconvenience and look forward to working with you.

Thank you,

Gentlemen:

Currently there is a prehearing conference scheduled in this matter for Monday, February 5 at 10:30 a.m. As of today, there is no filed notice of attorney on behalf of Tiger Moving, LLC. There are matters that need to be addressed that require conferencing with the applicant's attorney. ORS feels confident that remaining issues can be resolved; however, we need sufficient time to consult with counsel for the applicant. In an effort to make a prehearing conference fruitful, the applicant would need to have retained an attorney and ORS have sufficient time to consult with the attorney prior to the prehearing conference. At this point, I don't think there is sufficient time for that to happen. Again, our staff stands ready to assist Mr. Gammon resolve any remaining issues.

Thank you for your consideration.
